

WONDERLAND

V1 Take me as I am / I'll walk with you / We will fly away
To Wonderland / Where we won't cry

V2 Take me by the hand / Say to me / I belong to you
Forever / Where there's no pain

Bridge Wonderland
Take me as I am

Chorus I will walk all night / Take a flight / Just to be with you
I will walk all day / In any way / To live your life

V3 Here I am with you / I'll wipe your eyes / All will be new
In Wonderland / Old days pass away

V2 Here I am with you / It is done / 'Hey have a drink with me
Cost nothing / Take all you need'
